

Fortune-teller Juno (Western astrology, Tarot cards and Cabala)
Juno tells fortunes one-on-one in nightclubs in Tokyo as well as at our salon in Shibuya. He also promotes fortune-telling in various media, delivering messages to around 5 million people monthly. Since Juno considers fortune-tellers to be “problem solvers”, he does not feel his activities to be limited solely to fortune-telling. He is the leader of NOT FOR SALE.

Fortune-teller Hoshi (Chinese astrology and Palm reading)
Hoshi gives one-on-one guidance to over 2,000 customers a year in Tokyo areas like Shinjuku and Aoyama. His careful and easily understandable way of speaking enables him to provide customers with ancient wisdom. He is the most popular fortune-teller in NOT FOR SALE.

Fortune-teller Sugar (Western astrology and Sabian astrology)
Sugar was once a businessman. This experience taught him how to listen to and give advice to his customers like an attentive counselor. Customized, meticulous and logical astrological reading based on his study into ancient philosophy is his major strength. He participated in an international astrology conference in London in 2009. He is a member of the Astrological Association of Great Britain.

Fortune-teller Yock (Palm-reading, Face-reading and Body -reading)
Yock started studying human body, mind and soul after receiving a sudden divine inspiration. He has been practicing yoga, meditation and waterfall ablutions for many years, and he is now deeply experienced in spiritualism. He is currently being trained in the practices of Zen Buddhism in Hida-Takayama.

MC Ryozy

MC Ryozy quickly understands the fortune-tellers' words and easily interprets their meaning for customers. He draws on his deep inspiration to communicate the fortune tellers' messages in a direct but relaxed and often humorous manner. It is exactly because he is an interpreter with an excellent command of language, not a fortune-teller, that his words can expand the horizons of fortune-telling.

DJ m'osawa

DJ m'osawa started his career as a DJ in 2000. He set up movibe music records in 2008, from which he released two MIX CDs. He currently entertains crowds at Amate-Raxi in Shibuya and ACID PANDA CAFÉ in Jiyugaoka among other night clubs. His unique selection of music and techniques set the floor alight and are admired by his fans as well as his fellow DJs. He ranked 48th in the "Best DJ 50" in 2009 in "Loud" magazine.

VJ Sogen

VJ Sogen adds movement to fortune-telling through interactive visuals. He is in charge of directing art, visuals and web design for NOT FOR SALE. He studied oriental thought at university. VJ Sogen started telling fortunes using oriental Tarot cards, due to his interest in the art of divination which derives from Taoism and ancient Chinese teaching. He is also known as art-director hoxaigraphics.
